

ASTRASHIELD PREMIUM 175 (WINDOW REPAIR FILM) – EM015

Product Outline

AstraShield Premium 175 is a product certified to the highest impact test performance for Glass – 1B1.

Impact Test Clarification

The product has passed the test requirements for BS EN 12600 “Glass in Building – Pendulum Test - Impact Test Method and Classification for Flat Glass. Classification 1B1 – Highest possible

Product Construction

Face film: The product is based on an outstandingly strong 175 micron high clarity Polyester film.

Adhesive: The adhesive used is a high performance solvent acrylic with an optimized balance of tack, peel and shear. The coat weight is also optimized to ensure high impact performance.

Release liner: A gridded easy release paper liner has been selected for this product.

Application

Temporary Glass repair film. Cut film to cover complete window area; remove liner; apply to broken Window. If possible apply to both sides of window for added protection.
